From (Name) Lieut-Col. S.C.Contractor, M.B., I.M.S.,

(Designation) Inspector-General of Prisons.

To The Secretary to the Government of Madras,

HOME. Department.

Sir,

I submit herewith for favour of orders an application for the grant of gratuity from Shamsunnisa Bi, widow of late clerk B.Hassan.

2. The late clerk died of Tuberculosis on 5-10-1940 after having served for 11 years, 1 months and 9 days. He last served in the Wellesley Sanatorium Jail, Bellary.

3. The applicant alleges that her husband contracted the disease while on duty in the Sanatorium Jail and in support of that she has cited the letter from the Superintendent, Wellesley Sanatorium Jail, Bellary, to the Superintendent, Tuberculosis Hospital, Madras. The letter

was written by the Superintendent with a view to help the clerk who may have, however, contracted the disease long before he joined the Wellesley Sanatorium Jail.

The case does not, therefore, seem to be covered by any of the provisions made for the grant of "Extraordinary pension" under G.O.No.153 Finance (Pension), dated 4-3-1940.

4. The application is, however, submitted for consideration for the grant of a compassionate gratuity under G.O No.120 Finance (Pension), dated 22-3-1932. Though the deceased served for over 11 years, the period of permanent service was only 4 years, 6 months and 13 days. Nevertheless, I recommend that Rule 6(1)(b) of the rules for the sanction of Compassionate gratuities may be relaxed in this case in view of the circumstances set forth below:-

5. The financial circumstances of the family of the deceased are as follow:-

The family consists of the applicant (wife of the deceased) and two daughters and two sons. The late clerk's brother is a P.W.D. Inspector in the M.& S.M. Railway but he does not care for the widow and children left by his deceased brother.

These are therefore under the protection of her father for the time being, who is a station master in the M. & S.M. Railway on a salary of Rs.85/- per mensem. But he has to support his own big family consisting of his father and six children who are to be educated and three of whom are to be married.

The deceased had no property. He did not subscribe to any Fund nor insured his life. The only saving left by him is the amount of security deposited by him for the discharge of his duties as a clerk of the Jail Department.

This

This amount of Rs.250/- is returnable to the applicant in April 1941 with reference to Rule 152-D, Part I, Volume II of the Madras Prison and Reformatory Manual.

As regards liabilities, the applicant's father says that the deceased pledged even the jewels of his wife for the loan raised by him to meet the expenses for his treatment and for the maintenance of the family during his illness.

6. In the circumstances, I recommend that under Rule 7 of the Compassionate Gratuity Rules, Government wil be pleased to grant a sum of Rs.510/- (being twelve months' pay of the deceased who was last getting Rs.42-8-0 per mensem) to the widow.

7. The amount may be ordered to be paid at the Bellary Treasury. The applicant's address:is

"Shamsunnisa Bi,
c/o J.A.Rasool,
Station Master,
Maddikera, M.& S.M.Railway.

8. The following papers are submitted with the application:-

(1) Copy of letter from the Superintendent, Wellesley Sanatorium Jail,Bellary, to the Superintendent, Tuberculosis Hospital, Madras.

(2) Copy of letter No.G.3970,dated 14-11-40 from the Supdt., Wellesley Sanatorium Jail,Bellary to this office.

(3) Death Report.

(4) Application for gratuity.

(5) Descriptive roll of the petitioner.

6) Statements of the petitioner and her father recorded by the Revenue Inspector.

7) Personal file of the late clerk.

8) Service Register with its enclosures.

(P.T.O.)

Copy of letter No.G.3970/40, dated 14-11-1940 from the Superintendent, Wellesley Sanatorium Jail, Bellary, to the Inspector-General of Prisons, Madras.

Pension - Petition from the widow of late clerk B.Hassan.

I have the honour to state that the question whether the clerk lost his life due to his service in the Wellesley Sanatorium Jail can be easily decided.

He served in this jail only for a short time just about a year. He could not have contracted Tuberculosis of the lung after he joined this jail and died within a year. Tuberculosis is a chronic disease an runs a course of 3 to several years before it kills.

When the Superintendent wrote that he lost his health in Government service; he wanted only to draw the sympathy and special kindness of Dr.Vasudeva Rao, while treating him. It was never suspected that this kind letter will be made a claim on Government for compassionate gratuity by the wife of the deceased. He must have contracted the disease long before he joined this jail.

Further the insinuation that a servant working in this jail is liable to contract the disease is untenable as all the sputum and other infective material is carefully collected and destroyed and the possibility of any infection insfde the jail more than outside is nil.

The Superintendent,

Wellesley Sanitorium Jail, Bellary.

Sir,

I humbly beg to bring toyour honour's kind notice, that my husband, Mr.B. Hassan, clerk in the Jail department, who was lastly working at the W.S.Jail, Bellary, died on the 5th October 1940 of T.B.,.

I am left a destitute with four children. He ~~had~~ died of T.B., which he seems to have contracted while on duty and hence I request your honour to be kind enough to grant me compensation gratuity to bring up his children. He had made no rpovision of any sort for me or for the children.

The death certificate of my husband and a certificate of Sty.Sub Magistrate that I am the legal claimant for the compensation is herein attached.

I also request your honour to pass orders for the refund of the security deposit of Rs.250/- deposited by my husband at the W.S.Jail, Bellary, as we are left stranded on account of the death of my husband, who died prematurely, on account of T.B.

I have herein enclosed the letter given by the Sueprintendent, W.S.Jail, Bellary, to my husband, when he proceeded to Madras, to get himself admitted at the Royapettah Hospital Madras for x treatment. That would enlighten that he contracted the desease while on duty.

(Encls 2)

I beg to remain,
Sir,

The applicant, Samsunnisa Bi widow of late clerk, Mr. B. Hassan, welfarhy sanatorium Jail Bellary is my daughter. She has four children - The deceased left two, five members destitute.

2/ I am now the Sgt. of MOR. My pay is Rs 6 a month. I have six children dependent on me, all to be educated and three to be married. My father is also supported by me. Besides this big family this widow of late Mr. B. Hassan has also been left to my care with four children. It is impossible for me to support this big family. With the salary I get, it may be easily realised that it is, in the first place, next to impossibility to make both ends meet even for the maintenance of the members naturally depending on me. In the circumstances I submit that it is hard - nay - impossible for me to support bear this additional burden. Besides me she has none to care for her. The deceased has a father, and a brother. Father is depending on the brother (his) for his maintenance the brother is a P.W. Driver Mysore - Rani Bennur. He does not care for this poor widow & destitute children. If he had any sympathy for these poor souls, I would not have had to undertake this painful task.

3/ The deceased left no property. On the other hands he left a debt of Rs 1000/- Pledging the jewelry I had presents at the time of marriage. This debt he had to incur during the time he was bedridden for the maintenance of his big family & for meeting the medical expenses. He was in bed for four months but he had been ailing for over two years. He had the attack of T.B. in the Sanitorium Jail only. This fact is on the information given by my daughter. Statement of SamsunniSabi widow of late clerk Mr.B.Hassan

I am the wife of late clerk B.Hassan, who was working in the Jail Department and he contracted Tuberculosis and was suffering from it for the last two years and he died on 15-10-1940. I have already submitted his death report. He had left behind him four issues as destitutes. Myself and the four ~~children~~ children have been suffering much for want of maintenance. I have no property to pullon. My husband mortgaged all the jewels that my father gave me as dowry at the time of my marriage worth Rs.1000/- and contracted a debt of Rs.1000/- during his illness. He was bed ridden for a period of four months. Good lot of expenditure was incurred during that time. But God willed otherwise, and my husband breathed his last.

I have one brother-in-law, who is working as the P.W.D. Inspector of Railway in Ranibennur. He does not care about myself or my family. My father-in-law is under the protection of my brother-in-law.

My father is the Station Master at Maddikeri Railway Station. He has a big family dependent on him, and he is not in a position to support us. I am staying with my father at present, as there is no other go. There is no other help, so the debts are abnormal. It is very difficult to get on at present times.

My husband did not join the General Provident Fund while in service and he has not even insured his life. There is no other property except the security deposit for Rs.250/- which is not at all suffieient for maintaining ourselves ie., neither to clear any portion of our debts nor to sustain our lives. So the Government will be pleased to help this ~~poor~~ poor destitute.

I have two daughters and two sons. Their ages are:- 1.son of 12 years. 2.Second daughter 10 years. 3. daughter 7 years. 4. Son child respectively I request the Government will be pleased to make the necessary arrangement for the protection of this destitute family.
